GARDENER'S CHOICE™

IRON BOOSTER

Gardener's Choice™ Iron Booster helps restore the deep green color of leaves and lawns caused by iron or other mineral deficiencies. **Gardener's Choice Iron Booster** is especially beneficial in correcting chlorosis (yellowing foliage) in the following plants: Azaleas, Gardenias, Hibiscus, Camellias, Roses, Holly, Citrus Trees, Rhododendrons, Evergreens, Conifers and many other ornamental plants and trees.

WARNING: This product may be fatal if swallowed. Should swallowing occur, drink large quantities of milk and call physician at once. Do not get in eyes or on skin. Causes eye irritation. In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, get medical attention. Wash hands thoroughly after use.

CAUTION: Do not apply or mix solutions on sidewalks, patios, painted surfaces, or stucco to avoid possible staining. Do not apply solution to foliage in direct sunlight.

HOW TO USE

Shake well before use. Apply directly to soil and around the base of plants using a sprinkling can, clean pail or a hose-end sprayer. Saturate soil thoroughly. Use every 4 weeks or as needed.

Potted Plants: Mix one tablespoon in one gallon of water. Soak soil thoroughly.

Shrubs and Trees: Small plants (less than 3 ft.) use one tablespoon per gallon of water. Large plants (over 3 ft.) use two tablespoons per gallon of water.

Foliar Applicator (leaf feeding): Use two tablespoons in one gallon of water and apply to the point of run-off. Avoid application in direct sunlight.

Lawns: Fill a hose-end sprayer with 16 oz. of undiluted **Gardener's Choice™ Iron Booster** to cover up to 1,000 square feet.

GUARANTEED ANALYSIS:

BY WT.

Sulfur (S)	3.91%
3.91% Combined Sulfur (S)	
Copper (Cu)	0.20%
0.20% Water Soluble Copper (Cu)	
Iron (Fe).....	5.40%
