GARDENER'S CHOICE™

FISH EMULSION 4-1-1 ALL PURPOSE FERTILIZER

Gardener's Choice™ Fish Emulsion 4-1-1 All Purpose Fertilizer is derived from 100% fish solubles. The slow release of nitrogen into the soil makes it an ideal fertilizer for any annuals, perennials, vegetables, roses, shrubs, fruit trees, houseplants, and lawns.

CAUTION: Keep out of reach of children. May be harmful if swallowed. Avoid contact with eyes, open cuts or sores.

HOW TO USE

Shake well before use. Apply diluted solution to soil around plants and directly over the foliage using a sprinkling can, tank sprayer, clean pail or a hose-end sprayer.
