OUTDOOR USE

Use this product to control Cockroaches, Waterbugs, Palmetto Bugs, Scorpions, Millipedes, Centipedes, Sowbugs, Pillbugs, Ants, Silverfish, Firebrats, Spiders, Crickets, Clover Mites, and Cadelles. To help prevent infestation of building, treat the building foundation to a height of 2-3 feet, where pests are active and may find entrance. Also apply as a residual spray to outside surfaces of building, including porches, screens, window frames, eaves, patios, garages, refuse dumps, and other areas where these pests congregate or have been seen. Repeat treatment as infestations occur.

TICKS: To help control ticks in outdoor activity areas, treat a band of vegetation 6-8 feet wide and adjacent to activity areas, especially where dense vegetation occurs.

Not for use on ornamentals grown for sale or for commercial seed production or for research purposes.

INDOOR USE

For spot application only. Do not use as a space spray indoors. Cockroaches, Waterbugs, Palmetto Bugs, Scorpions, Millipedes, Centipedes, Sowbugs, Pillbugs, Ants, Silverfish, Firebrats, Spiders, Crickets, Clover Mites, Cheese Mites, Granary Weevils, Rice Weevils, Confused Flour Beetles, Rust Red Flour Beetles, Drugstore Beetles, Mealworms, Grain Mites and Cadelles.

COCKROACHES (WATERBUGS), ANTS, SILVERFISH: Make spot applications of this product to baseboards, areas around water pipes, cracks and crevices, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, and similar areas where these insects hide.

ANTS: To kill ants, spray trails, nests and points of entry within buildings and homes. Spray directly on insects where possible. Repeat application as infestations occur.

CARPET BEETLES: Spray in spot applications along baseboards and edges of carpeting, under carpeting, rugs and furniture, in closets and on shelving, and wherever these insects are seen or suspected.

SPIDERS AND SCORPIONS: Spray around windows, doors, and along baseboards. Make spot applications to other areas over which these pests may crawl.

BEDBUGS: Spray mattresses lightly, particularly around tufts and seams. Take beds apart and spray in all joints. Treat baseboards, moldings and floors. Repeat treatment as infestations occur.

FLEAS (Adult and larvae), Brown Dog Ticks: Apply to infested areas, around baseboards, windows and door frames, wall cracks, sleeping quarters of household pets, and localized areas of floors and floor coverings. Fresh bedding should be placed in animal quarters following treatment.

NOTE: Always spot test for color fastness of surfaces prior to making a full treatment. Repeat infestations occur. Allow to dry thoroughly before allowing children or pets on treated areas.

PANTRY PESTS – EXPOSED STAGES (Saw-toothed Grain Beetle, Flour Beetle, Rice Weevil, Cigarette Beetle, Drugstore Beetle, Indian Meal Moth): Spray this product on shelves and in cupboards where food containers suspected of being infested are stored. Remove all food and shelving paper before spraying. Do not replace the food packages until spray has dried. Cover shelves with shelving paper. This treatment is supplemental to good housekeeping, since it will have no effect on insect breeding within food packages. Infested food packages should be destroyed.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Wash thoroughly after handling and before smoking or eating. Avoid contamination of feed and foodstuffs. Remove pets and birds and cover fish aquaria before surface applications. Do not use on humans. Do not allow children or pets to contact treated areas until surfaces are dry.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish. This product is toxic to bees exposed to direct treatment. Do not apply product while bees are actively visiting treatment area. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this product only as specified on this label. Cover aquariums and terrariums before spraying.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry area away from heat or open flame. Keep in original container and preferable in a locked storage area inaccessible to children and pets.

DISPOSAL: If Empty: Do not reuse empty container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

LIMITED WARRANTY AND DISCLAIMER

Buyer assumes all responsibility for safety and use not in accordance with directions.
